Dear Family of JCC

End of year Planning

As the year end approaches rapidly, I would like to take this chance to mention the following:

1. 5 December Christmas market: Students, families and friends are welcome to attend and to assist in the market. This is entirely voluntary at this point as we are very aware of the rise in Covid cases and respect anyone who does not wish to participate on the day. We will be having a follow up sale, for those who would still like to participate in the week of the 8-11th and I will send home details of items that are still available for purchase.

We welcome any products that you have for sale. Baked items are especially useful please.

There will however be no teagarden or boerewors rolls on sale to facilitate people moving through the property and not lingering. All items will be packaged and only 50 people will be allowed on the property at one time.

2. The End of Year will be on the 11th December. We will be having a celebration in the form of a concert. However, we will now be holding the concert during work hours, and only parents who are really keen to attend can attend. Otherwise, I will make a recorded format available for those who are not attending. This concert will now happen at 2pm until 3pm on Friday 11th December. Please let me know if you would like to attend so that I can make appropriate spacing for everyone. Otherwise, the 11th December will be a normal working day as far as the hours go. I will make lunch though for the students, so they don't need to bring in any food for that day.

Wishing everyone a safe year end.

Warm regards

Catherine
Centre Manager
